Sacrament of First Holy Communion

This Sunday, June 23rd, some of our students will be making their First Holy Communion at 9am Mass.

We invite you to come and support them on this important day, especially those in Years Four and Six.

If anyone can provide a small plate of food for the morning tea afterwards, that would also be appreciated.

Please pray for Georgia McGuinness, Berlins Kirwa and Bravil Kirwa.

Thank you!

NETBALL

By Piper Crawley and Indie Lina

On Friday June the 14th we travelled to Bairnsdale to play netball in the Division Winter Sports. It was a nice day to play and the courts were great. The two teams we played against were Lucknow and St Marys. The first game was against Lucknow they won 24-3. They were a very strong team. The second game we played against St Marys, we won this game 22-6. We were very happy with the win as we all put in our best effort.

Well done to Lucknow for going through to Regionals. Also well done to our team for trying our very best, and showing great teamwork and sportsmanship. Thank you to Kylie and Mrs Mills for training and coaching our netball team for 2024.

Good luck for next year's team.

TEE-BALL

By Huzaifa and Charlie

On Friday, 14th of June 2024, students from Years 6 and 5 went to Division Winter Sports. Tee-ball being one of those sports. A reminder about tee-ball, tee-ball is like soft/baseball, but the batter hits the ball from an elevated tee instead of a pitcher. The event took place at the Lucknow sports oval. The boys and girls were separated into two different teams. The two other teams St Brendan's had to compete against were Lindenow PS and Paynesville PS. The St Brendan's girls and boys played each other first for some fun. Both St Brendan's teams lost against the teams. Lindenow PS was a really good team that had made it to State before. Overall, it was a very fun experience for all of us, even if we didn't win any games.

SOCCER

By Rocco and Bailey

On the 14th of June in Year 5/6, we attended Division Soccer for Winter Sports. There was a girls team, and a boys team. The event was held at Howitt Park, Bairnsdale. The boys team played two games and the girls played 1. The boys won the first game against Lindenow 4 - 0, and tied the second against Lucknow 1 - 1. Sadly we did not make it through because it came down to goals scored in the first game. Lucknow won against Lindenow 8 - 0 compared to St Brendan's 4 - 0, hopefully in the future the rules should change so that it should be extra time rather than goal difference. The girls team only had to play 1 game against Mitchell Cluster which they won 4 - 0. Everyone played amazing and had a great time.

The 2024 Victorian Premiers' Reading Challenge is now open and St Brendan's is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6th September, 2024.

Children from Foundation to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit:
vic.gov.au/premiers-reading-challenge

The Premiers Reading Challenge has an online recording system which is intended for students to enter their books at home.

Students wishing to participate, need to send Katrina an email at:

kwykes@lakesent.catholic.edu.au

They will then be emailed their username, password and details to access the online computer system.

A SPECIAL REPORT: Smokeless Tobacco Products

The evolving nicotine landscape requires parents and caregivers to stay informed to protect young people from these emerging threats. Snus and nicotine pouches are gaining popularity among young people as smokeless tobacco (SLT) products. Both products are discreetly placed under the upper lip, allowing nicotine absorption through the gums.

Health authorities are urging proactive measures to curb this growing trend and calling on regulators to implement controls before these products become as widespread as vapes. The high nicotine levels in these products pose serious health risks, including nicotine addiction, cardiovascular disease, gum disease, tooth decay, and even nicotine poisoning. Researchers highlight the detrimental effects of nicotine on developing brains, linking its use to depression, anxiety, ADHD symptoms, and an increased risk of addiction to other drugs.

The marketing of snus and nicotine pouches targets young audiences through social media influencers, raising concerns about their increasing popularity among school students. And like vapes, they come in various flavours and strengths, with unregulated nicotine levels leading to inconsistent and misleading labelling. It is clear that SLT products contain not only nicotine, but also other chemicals with unknown long-term effects.

This Special Report will help you become aware of the potential risks of smokeless tobacco products and guide you in age-appropriate discussions with your child.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.

Help farmers like Chiquito in Timor-Leste to feed their families

Extreme weather, spiralling food costs and the lasting scars of conflict have left almost one in ten children in neighbouring Timor-Leste suffering from acute malnutrition.

You can help provide farmers like Chiquito in Timor-Leste with training in modern agricultural techniques, as well as provide them with support to protect their crops, improve yields and realise the full potential of every last acre of arable land.

With your generous donation, parents like Chiquito can have enough food to feed their families both today and tomorrow, as well as extra produce to sell at the market – giving them the means to pay for medical care and the basic necessities needed to live a healthy and dignified life.

Your donation this tax time can help farmers like Chiquito to feed their families and make hunger history.

Caritas Australia’s Papua New Guinea Landslide Disaster

Following a massive landslide on the 24 May of 2024 in the Highlands of Papua New Guinea, an initial rapid assessment report from the UN has revealed extensive losses and damages to communities downhill, also destroying livelihoods and key infrastructure.

7,849 individuals from 1,427 households across two communities are affected with food security, clean and safe drinking water (as well as water tanks and purification tablets), and the provision of nonfood items such as utensils and clothes the top three priorities.

Sister John Mary, Secretary and Project Manageress of the Catholic Diocese of Wabag explained, “We have visited communities to deliver food and medicine to people who are digging their loved ones out of the earth. The shock and grief in these communities is profound, and among it all many have no home to return to, no food to eat, no clean water to drink or no clothes to wear.”

Please act now.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate – (New arrangements)

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them.

If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organize students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.
