PARISHES IN PARTNERSHIP

Buddies and Harmony day

By Hunta and Lacey

On Friday we celebrated Harmony Day. Harmony Day focuses on how Australia is a multicultural country and Harmony day shows how Australians come together and work as a team to create a better community and show others that they belong and that everyone is welcome. People symbolise Harmony day by wearing orange. Our whole school celebrates Harmony Day.

As Year 6s we spent time with our buddies celebrating Harmony Day. We completed a Harmony Day activity and read a story with our buddies. During the activity, we traced our hands and decorated them. We spent some time together talking about our backgrounds, cultures and where we come from, so some of the year 6 learnt some new things about their buddies.

Harmony week is a great time to come together with friends and celebrate other cultures, differences and backgrounds.

We have had a fabulous and fun filled term in Foundation Blue. As we count our way to 100 days of school, we reflected on all of the learning we have done this term...

We spent time with our buddies doing lots of fun reading, making dolls and learning about Harmony Day.

We played on the playground with our friends!

We learnt how to use our BeeBots. They move when we press the buttons. They move forward, backwards and sideways.

We learnt how to make patterns, how to count to 20, how much a container can hold, adding numbers and how to use a numberline.

We met Milo Monkey, Sally Snake, Felix Frog, Ally Alligator, Cooper Caterpillar, Peter Penguin and Izzy insect.

We ate lots of fruit!

We read lots of Big Books and asked lots of questions!

We went to Mass and learnt about how Jesus went into the wilderness for 40 days and 40 nights.

We learnt that Easter is about Jesus!

We learnt how to use capital letters, two finger spaces and full stops!

We learnt about staying in our own bubble and did lots of GEM chats.

We did lots of show and tell.

We learnt how to use scissors, write with a pencil and use just the right amount of glue!

We can not wait for another term of learning and fun in Foundation!

When picking up and dropping off your child we ask all parents to observe the following procedures at St Brendan's CPS.

Collecting Students from School Grounds – Child Safety As you would understand, child safety is the number one priority for schools. As circumstances evolve, we want to ensure we have the best possible practice in place. Please note the following requirements for collecting students at the end of the day.

Collecting from the church gate – (New arrangements)

Students in years Foundation, One and Two will remain with their class teacher at the end of the day just outside their classroom. The church gates will be open at 3.15pm, at which time parents are required to enter the school grounds to collect their children from the class teachers. This action is in place to avoid situations where students leave the school grounds and run into the church gate car park area without an adult being present.

Please use the appropriate car park entry and exit. Please do not drive across the footpath to enter or exit the car park. We have students and other pedestrians using the footpath.

Collecting from the administration office

Please enter the gates and collect your child from the junior classroom area or your child from years Three to Six may meet you just inside the gates. Students are not to leave the grounds and cross the car park area without an adult walking with them.

If dropping students off in the morning, you must also walk them into school. Please do not use the disabled parking bay without permission to do so.

Collecting from car line

Typically, St Brendan's staff are there to organize students into cars at the end of the day. If you wish to park and collect your child, please use the crosswalk and an adult must walk with their child/ren. Drop off at the beginning of the day should take place at the bus stop area.

Thank you for your assistance in this matter.

Regards,
Matthew Hamer
Principal

Measles alert

Please be advised of the following health alert from Dr Tarun Weeramanthri the Chief Health Officer. March 4th 2025.

There has been two new cases of measles has been reported in Victoria that have not travelled overseas, and have no known links to recent cases of measles. These cases were infectious at multiple locations in Greater Bendigo and metropolitan Melbourne. This means there is now local transmission of measles in the community.

Measles is a highly infectious viral illness that can lead to uncommon but serious complications, such as pneumonia and brain inflammation (encephalitis). There have been 8 cases of measles identified in Victoria in 2025.

A number of populations in Victoria are susceptible to measles, including anyone who is unvaccinated, infants under 12 months of age, immunocompromised people and adults who were born between 1966 and 1992 who may not have received two MMR vaccines in childhood.

Symptoms include fever, cough, sore or red eyes (conjunctivitis), runny nose, and feeling generally unwell, followed by a red maculopapular rash. The rash usually starts on the face before spreading down the body. Symptoms can develop between 7 to 18 days after exposure.

Initial symptoms of measles may be similar to those of COVID-19 and flu. If a symptomatic person tests negative for COVID-19 and/or influenza but develops a rash, they should be advised to continue isolating and be tested for measles.

Infectious period People with measles are considered infectious from 24 hours prior to the onset of initial symptoms until 4 days after the rash appears. Measles is highly infectious and can spread through airborne droplets or contact with nose or throat secretions, as well as contaminated surfaces and objects. The measles virus can stay in the environment for up to 2 hours.

A typical measles rash

Anyone who develops symptoms of measles should seek medical care and testing for measles. Call your GP beforehand to advise that you may have been exposed/have measles symptoms. You will be given instructions on what to do next.

Supporting School Events

As in previous years we will not be running a formal Parents and Friends committee in 2025. Alternatively, it is the School Advisory Committees recommendation that we provide families with a list of events taking place over the course of the year requesting that families select one or two events they can assist with. Prior to this event taking place, volunteers will be contacted by the school with more details.

This initiative supports the school by spreading the workload and ensuring our students can enjoy all the opportunities we have in place. Please remember, all volunteers must have a current Working With Children Card which has been presented to the school office.

The survey can be found on PAM. You will have a new alert listed, highlighted in red, "Connect Surveys - Supporting School Events". Follow the prompts to complete.

Please select one or two of the events named that you can assist with. Your help is greatly appreciated.

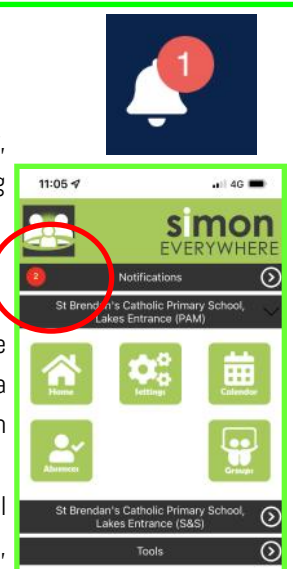

The activities that you can come and help at school with:

FINANCIAL ASSISTANCE

INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$154 for primary school students
- \$256 for secondary school students

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments:** your child has started or changed schools this year.
- changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure
